

WINTER RETREAT

Jan 14th – 17th, 2011

"Break Out" Winter Retreat is a weekend set up to offer middle and high school students an 'escape' from their regular busy schedule of life and gives them the space to reflect on their personal walks with the Lord. They literally *break out* of their normal patterns, and are given space to relax, reflect, and rejuvenate.

Each day offers personal and corporate devotional times, great fellowship with friends and other students, some sort of outdoors experience, and other fun activities. The "Break Out" Winter Retreat builds unity with each other, but offers a more solid foundation in our relationship with Jesus and a stronger understanding of His role as Lord over every aspect of our lives.
