

**FOR
PARENTS!**

To the respective parent or legal guardian...

You are receiving this packet for one reason and one reason only. DON'T WORRY! Your child isn't in trouble!

In fact, it's quite the opposite. Your teen wants to be a part of something bigger than themselves and help the world around them through participating in what's called The 30 Hr Famine.

In short, The 30 Hr Famine is a nation-wide youth event, started by World Vision for the purpose of raising awareness and funds, while learning powerful lessons of compassion for those who live with hunger daily.

This year, youth groups from 3 local churches in the area wanted to do combine forces and do a 30 Hr Famine event TOGETHER! Through some planning and coordinating, this combined event is set to happen from Friday, May 7th, to Saturday, May 8th, and is to be hosted at Sherman Oaks Presbyterian Church!

In this packet, you'll find information describing more detail about the 30 Hr Famine and the organization that created it. You'll also find a general itinerary spelling out some of the activities the students will be partaking in, as well as contact information for all three Youth Directors that are heading it up.

Thank you for taking the time to read this and give your child the chance to be a part of something that truly has an impact in the world we live in!

Sincerely,

*Kyle Megginson
Youth Director
Sherman Oaks Presbyterian Church*
